

# VIRGINIA TELEHEALTH NETWORK SUMMIT: OPPORTUNITIES FOR COLLABORATION

NOV 12-13, 2017

## NETWORKING DINNER – Sun, Nov 12 SUMMIT – Mon, Nov 13

Hilton Richmond Hotel & Spa/Short Pump, Richmond, VA

### PROGRAM OVERVIEW

This year's Summit will offer opportunities to hear from our nation's thought leaders in telehealth, learn of telehealth best practices in the Commonwealth, and dialogue with others participating in or interested in using telehealth. Whether you are a proficient user of telehealth or new to it entirely, this Summit will offer you and your organization something new. A key component to this year's Summit is open dialogue – we aim to use this time to learn from and with you all, and engage in active brainstorming and collaboration on how to best use telehealth to assist our Commonwealth constituents.

In addition to our keynote presentations and panel presentations, we will have a lively and active vendor hall. Our networking dinner and breaks will give you ample time to visit with and learn from them.

Included in this year's summit registration price is a networking dinner held the night before the Summit. We look forward to sharing this time with you and our colleagues from around the Commonwealth!
